touched the pencil. Movement stopped. Then resumed, slow as genuflection into the present tense. It matters. Litigious or not, invective seems less than its propriety nature would invigorate. Centipede mileage castoff perfumes. Sharpened rigor escalates the bannister capers, no width ever assured in the darkened strata where pineal laundry casts its wafer. The torrid assemblage held the grotto against all corners. Grating against the rounded edge, the caterpillar's strict necessity entailed rolling half-tracks across its greater expanse. Whoever's reverie fits the hindmost equation. No subject is ever the same after its verb. Cross-stitching polymers isotopic membrane hollows ether as its nascent crux. A little bidding goes along way. Past surrey litigants the hostage wheezes fructose enmities, detailing the retail beverage link to substantive retaliation. Hostilities assumed. accruing mottled excalibur nitrates.  
Filamental regulars receive neuralgia plates  
to throttle their ambiguous testimony,  
whether discarded or left at the atrium  
of their vexation. Cornerstone lifts

of sport cast nightly in the elemental  
sanctuary of stifled tongues. Breeding  
decay as sentiment, they launder  
their moribund linkage as they slink past  
where the artifact left its decay,  
truth to udder. Re/mix shuffled the steady  
hand to mouth muttering, low decibels ringing

their faint perpetuity. Lectured conundrums  
surpass their classic vacancy modules,  
escarpment to the latter-day vestibule  
peeking through the blue redolence  
where nightly gestation seeds the boot  
of its acetate volley. Circumferential  
evidence moot as its caloric decay,  
the folly continues late hours blooming  
polytonal necessity declarations, a mirror  
held to the face of choice. No equestrian  
damper will polo the longitudinal demand  
for low affect. Striations occur where  
boundaries genuflect post-mortem vagaries  
reeking sediment, acrostic brewery models  
rift to contrary assumptions. Matter as  
thundering scalpel obtrusion fortifies  
pure vagaries at the mishap. Where fortitude  
shapes dismembered gleaning lewd thunderclaps  
the scent of the dead ostinato flourishes.

Recumbent anodyne atrocity pamphlets

Obscure as ancient diatribes rejecting  
the status quo's latent invective, sure hands  
slide their shredded laundry gestures,  
cargo to the touch. Fortified ruination, as such,  
lures brazen templates to the legend.  
No assurances, but germinal opprobrium  
desiccates the list. Its lumbering terms  
pure as its crazed offspring, assured delegates  
ponder ostensible humanoid endeavors.  
The voltage of softened triage intensifies  
the battles for foundling operatives,  
their insensate maneuvers trickling

Jacklight majesty their hunting ilk,

of natal quandaries fixed as gradients.  
Occupational slandering carnival implications

Retrospective tribunals freon acetate,

Vanishing finaglers without

Regaining the tainted edge,

The deluge pertaining

Filial boundaries  
skirt the wordage

To regard the low  
standards left off

soon readied to be

It went well for them

Indifferent to protests,

To sell more, they

Over the unread proclamation,

Pledging to obtain the ledger,  
a fair caveat aired by fire

Seeking refuge, it regained

residual collocation enamors fibroid lottery hatcheries, a branding-iron quadrant litigates the thread of vacant paramours isolated in the kumquat setting. Its penchant for accumulated vagaries quenches thirsty missteps in the wake of ancient centipedes berating thatched histories. A thorough search of their mettle defectors takes carcinogenic vagaries to hearten artichoke ravings. A badge of predatory rapture synthesizes their crucial animosity, saving the best for the past. Relocation clamors destitute bravery in the face of vast cities moving in rotation across the predicated skyline, a story of predatorial rumination preceding illumination in matters of lost consequence. Receding victories thunder dead accolades, faint in the distance. Restitution needs retribution, a grudge match of intrinsic parallels. To scam the horizon, a poker bluffs its stroking hand, sizing up derision acetates and discarding visionary mewes at the crossroads. To upload the incurious fontanelle, the imbricated swelling of implicated starts re-grates its sun field, shadowing acrimonious subdivisions at level entry. The matching craft shudders its artisans through the sealed gate. After hatching the plan, their hatred revealed grandiose muttering. Their preceding histories wrote the winners buried under their load. Goaded by their pronoun haze, the blazers of new pathologies swore by their gartered necklines that no protrusion would emerge under the auspices of their canceled reflections or any other misdirections of retributive allocation. Any other situation would forestall the consummation of its wherewithal, however devoutly. Its attrition speaks nightly as fireworks light the shadows of catwalk umbrage. Suspicion breeds forthright platitudes. Lumbering needs make themselves felt, for the right price. No attitudes accepted. Cash or credentials. Without the urge to razor the felt strops tumbling over insulated junctures, night dice will rattle concrete alleys talking under fated breath. Discreet allies appear too
